Business Meetings of Selectmen  
Every Monday, 7:45 P.M.

**WARRANT FOR THE ONE HUNDRED AND  
EIGHTY SIXTH ANNUAL  
TOWN MEETING**

THE STATE OF NEW HAMPSHIRE

(L. S.)

*To the inhabitants of the Town of Northfield, in the  
County of Merrimack in said State, qualified to vote  
in Town Affairs:*

You are hereby notified to meet at the Northfield Town House in said Northfield, on Tuesday, the eighth day of March next at ten of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation upon the following:

- A. Town Officers' Salaries
- B. Town Officers' Expenses
- C. Election & Registration Expenses
- D. Expenses of Town Hall
- E. Fire Department (out of Precinct)
- F. Town Dump
- G. Sewer Maintenance
- H. Vital Statistics
- I. Town Roads & Bridges
  - 1. Summer Maintenance
  - 2. Winter Maintenance
  - 3. General Expenses of Highway
  - 4. Oiling
  - 5. Road Salt

- J. Library
- K. Old Age Assistance
- L. Police Department
- M. Town Welfare and Relief (including Veterans' Aid)
- N. Memorial Day Expenses
- O. Care of Cemeteries (Town)
- P. Care of Beach, Northfield Pond
- Q. Blister Rust Control
- R. Interest on Temporary Loans
- S. Social Security
- T. Dump Fire Patrol
- U. Sidewalk Improvement
- V. Civilian Defense

3. To see if the Town will vote to raise and appropriate the sum of \$2,600.00 to the Tilton-Northfield District Nurse Association. A similar request will appear in the Tilton Warrant. (by request).

4. To see if the Town will vote to raise and appropriate the sum of \$100.00 to the Franklin Hospital Association.

5. To see if the Town will vote to raise and appropriate the sum of \$100.00 to the Laconia Hospital.

6. To see if the Town will vote to raise and appropriate the sum of \$722.31 for Town Road Aid. The State will contribute \$4,815.43. The plan is to resume construction on the Fellows Hill Road between Canterbury and Belmont.

7. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the Park Cemetery. (by request).

8. To see if the Town will vote to raise and appropriate the sum of \$5,500.00 for the Tilton-Northfield Recreation Council.

9. To see if the Town will vote to raise and appropriate the sum of \$500.00 to be put in an existent Building Fund savings account for a Community Center. This fund to be contingent on the motion and amendment of the 1962 Town Meeting.

10. To see if the Town will vote to allow the Selectmen to receive bids on the 1953 GMC dump truck, for the purpose of selling it.

11. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the establishment of a Capital Reserve Fund, \$1,600.00 to apply to the equipment fund and \$400.00 to apply to the Town buildings depreciation fund. The Capital Reserve Fund will become the responsibility of the Trustees of the Trust Funds.

12. To see if the Town will vote to allow the Selectmen to receive bids not exceeding \$725.00 for a new roof on both sides of the Town Hall, to be financed from the buildings depreciation fund.

13. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to purchase two radio sets for the Police Department.

14. To see if the Town will vote to raise and appropriate the sum of \$126.90 for three red phone connections plus \$10.50 installation charges for the Police Department. Service is to begin on April 1, 1966.

15. To see if the Town will vote to raise and appropriate the sum of \$186.00 for the yearly cost of street lights on Route 3-B at Northfield Center plus \$31.50 for an additional light near the Pickering residence.

16. To see if the Town will vote to raise and appropriate the sum of \$600.00 toward the construction of an Emergency Operating Center for Civilian Defense purposes. (by request).

17. To see if the Town will vote to raise and appropriate the sum of \$225.00 for the purchase and installation of a heavy duty over-head door for the Town garage.

18. To see if the Town will vote to raise and appropriate the sum of \$250.00 for a Tax Commission appraisal on new assessments, stock-in-trade and building alterations.

19. To see if the Town will vote to raise and appropriate the sum of \$6,000.00 to continue the road construction on the Shaker and Knowles Pond Roads. Such sum is to be spent over a two year period.

20. To see if the Town will vote to authorize the Moderator to appoint a Sewer Study Committee to work with the Selectmen of both Towns and the Fire Wards to establish a Sewer District and present it to the voters at either a special or regular Town or District Meeting.

21. To see if the Town will vote to allow the Selectmen to borrow money in anticipation of taxes.

22. To see if the Town will authorize the Selectmen to administer or dispose of any real estate that may be acquired through the Tax Collector's deeds.

23. To see if the Town will vote to accept the reports of the officers as printed.

24. To transact any other business that may legally come before said meeting.

The Polls shall be closed not earlier than six of the clock in the evening. The business meeting will be held at 7:30 of the clock in the evening.

Given under our hands and seals, at Northfield, this eighth day of February in the year of our Lord, nineteen hundred and sixty six.

**AUDITORS' REPORT**

Having examined the accounts of the Selectmen, Town Treasurer, Tax Collector, Town Clerk, Road Agent and Trustees of the Trust Funds for the year ending December 31, 1965, we find them correctly posted and properly vouched.

SEBASTIAN PUCCI  
FRED HAGGETT, JR.

Auditors

February 7, 1966

**To: The Town of Northfield, Merrimack County**

**From: The police committee, as authorized by Richard Smart, Town Moderator**

This committee was established, in order to analyze the problems of communications, and to make recommendations as found necessary.

A primary suggestion offered by the committee was enacted upon by the selectmen last year. The listing in the telephone directory under Northfield, Police Dept. included all names and numbers of police personnel.

After several meetings the committee members offer the following recommendations:

1. installation of two new radios in police personnel cars, which will have direct contact with both the Franklin and State Police Departments.

2. installation of a "red-phone" system, located at three officers' homes; this operation allows one call to alert three people simultaneously.

3. for the selectmen to petition the State Highway Department, to investigate the need for flashing lights to be located on Park Street, at the corner of Holmes Avenue, and, at the junction of Summer, Granite, Elm and Bay Streets.

4. for the selectmen to petition the State Highway Department, to install larger traffic signs as deemed necessary, in order that they may be seen unobstructively.

5. to have the Town paint holding lines, and, the word "Stop" on the pavement at the railroad crossing on Sargent Street.

6. to allow the police department to retain a clothing allowance, sufficient to enable each officer to maintain a proper uniform.

7. additional equipment which we feel is necessary, in order to perform the functions of a Police Department which includes;

- A. one set of leg irons with restraining belt
- B. two emergency first aid kits
- C. two, 5 lb., carbon-dioxide fire extinguishers
- D. four iridescent chest and shoulder straps
- E. four sets of two each, battery powered accident flasher lights
- F. surplus blankets
- G. other equipment usually supplied, such as handcuffs, whistles, flashlights, and, ammunition both for required practice and use.

The red phone system and new radios will operate in the following way; when a person dials the Northfield Police Department, three phones will ring. When an officer answers, the matter will be taken care of. If an officer is cruising on patrol, he will be contacted by the Franklin Police radio, after they have been alerted by phone from a member of his family. While on duty, should an emergency require additional help, the officer will be able to "radio-in" to Franklin, who will alert the necessary departments. These new radios are not of the CB type. They are especially equipped to operate without interference and will have an extended range of coverage.

We would like to thank the selectmen, Messrs. Lewis Read, Robert Bennett and Pete Foster for their cooperation in this matter. Also a commendation is due to the men who comprise our police department; Messrs. Rollin Wheeler, Richard Gilbert, Robert Adams, John Simpson. They perform a community service which many times has been an inconvenience and have spent extra time without compensation. Our thanks to them, their families, and other specials, who have helped Northfield to be a better place in which to live.

This report has been accepted by the committee members listed below.

GEORGE FALARDEAU  
CHESTER DAVIDSON  
JOSEPH DE MELLO

## **REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF**

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

### **WE MUST ALL BE CAREFUL:**

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush;
  - a. Always get a permit to burn from the warden.
  - b. Start your fire late in the day after 5:00 PM
  - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands, yours never to enjoy.

**Fire Record for 1965**

	Fires	Acres
State	887	1,255
District	169	450
Town—Northfield	7	11.6
Town—Tilton	12	7.9

## **REPORT OF STUDY COMMITTEE ON A SEWERAGE DISPOSAL SYSTEM**

A motion was made at the 1965 Town Meeting for a Study Committee, appointed by the Moderator, to study the fundamentals regarding the installation and operation of a sewerage disposal system and to report its findings to the 1966 Town Meeting.

Meetings have been held by the Tilton and Northfield Committees with the Fire Commissioners, various consulting engineering firms, and officials of the New Hampshire Water Pollution Commission.

The problem of water pollution has become a serious one in the eyes of both State and Federal officials. This is illustrated by the fact that the State will contribute 40% aid, and the Federal Government will contribute 30% aid for the construction of sewerage disposal facilities. This aid can be applied to nearly all major items, but might not be allowed on certain lateral pipes of a local nature. It appears in the near future that the State may request that all towns that are polluting a stream or river take positive action to eliminate said pollution. The Federal Government has requested that all states classify streams and rivers by 1967 or they will cause same to be done.

Different types of sewerage disposal facilities were discussed. These types vary from a complete plant (full time operators) to the lagoon system which seems to be quite acceptable in New Hampshire. This lagoon system would require approximately 30 acres of land and it would not require any full time operator. Different sites for these proposed lagoons have also been discussed.

The Federal Government will allow a district to apply for an interest free loan that does not have to be repaid until the sewer disposal facilities are built. This allows a district to select and retain an engineering firm to

conduct a study to determine the best method of sewerage disposal and to estimate total cost of construction of this project. This proposal is reviewed and must be approved by the engineers in the New Hampshire Water Pollution Commission.

The water pollution condition appears to be a precinct problem.

By far the most reasonable approach at this time would be to include the article for an interest-free planning loan (Sample Enabling Act) in the warrant of *one* town, probably Tilton, for action at the coming Town Meeting. This would allow the town to make application through the Board of Selectmen for the funds, and the study could legally include parts of both towns. When you have gone through the mechanics of setting up the sewer district, the town could turn the study and attached obligations over to the district (district would vote to accept the obligation to the Federal government) and the town would be released from its contract with the Housing and Home Finance Agency.

At present, this seems to be the easiest, and by far least cumbersome procedure. It should be pointed out to the town's voters that they will be under *no obligation* to repay the loan — the towns turn over the existing sanitary sewers to the district — and the district accepts the system of sewers and the obligation to Housing and Home Finance Agency.

## **TILTON-NORTHFIELD CIVIL DEFENSE**

The Selectmen

Tilton and Northfield

Gentlemen:

It was a relatively quiet year from a Civil Defense standpoint. It is unfortunate that it often takes some major tension, as was evident during the Cuban crisis, to motivate the public to thoughts and actions toward the safety of themselves and their families. However, I am glad to report that we have accomplished a worth while year.

Perhaps our greatest achievement was the highly successful medical self help class held in the Spring and sponsored jointly with the American Red Cross. We "graduated" over sixty men and women, which to the best of the writers knowledge is still a state record for a "non captive" class. Due appreciation should be noted for the invaluable assistance of Mr. Nick Wadleigh for this fine job of instructing and to the local clergy for their wholehearted and active support.

As is well known, the C. D. Horn has been tested monthly in accordance with Federal directions. During the hurricane season the alternate HI-LoW emergency signal was also sounded as an exercise.

Other than the State Police course taken early in the year by your Director and his assistant Bill Southworth, no other instructional courses were taken. It is intended that a Radiological course be instituted in the near future.

Three statewide CD communication tests alerts were exercised during the year. An improvement was noted in the method and time taken to notify our reporting point. In the event of an internationally serious situation developing however, our warning system would be

quickly connected by telephone so that it could be activated by Laconia police. Laconia is fortunate in being directly on the alert network radiating from Colorado Springs, the Federal Defense H.Q.

At the respective town meetings the voters will be asked to raise money that together with federal matching funds, will be sufficient to construct at or by the Fire Station a radioactive proof room.

In the event of an attack against this country there will be radioactive fallout in our area sufficient to kill all those not reasonably protected. It is assumed that private households could quickly construct makeshift elementary shelters in their basements, however, there is no possible such protection available to our essential services. This means that during the period of radioactive fallout and for a time thereafter our community would necessarily be without all forms of local government, fire protection, police, and C.D. personnel.

To conform to the minimum federal specifications in order to qualify for matching funds, it is estimated that such a building together with the installation of its pertinent equipment would cost about \$3,600.00 or \$1,800.00 from federal funds, the balance divided  $\frac{2}{3}$  by Tilton,  $\frac{1}{3}$  by Northfield.

May I ask your co-operation in bringing this problem to the attention of the public so that they may properly decide on the course I should take.

Respectfully yours,

JOHN F. CLARIDGE

C.D. Director

## **TILTON-NORTHFIELD RECREATION COUNCIL**

### **1965 Annual Report**

The tenth year of operation has been marked by many firsts:

First—Recreation Advisory Council has been formed under the chairmanship of Mrs. Doris Harbour.

First—Organized playground for summer activity for our young people under the sponsorship of the Recreation Council.

First—Lifeguard ever on daily duty at Northfield Pond.

First—Sno-mobile events to try to increase our Building Fund.

First—Attempts to secure Federal Grant for construction of a Community Center.

On the opposite side of the ledger were two firsts, for which we were not happy—

First time skating and skiing programs had to be curtailed due to the lack of funds. The reason for this financial crisis was two-fold—

1. The necessity to exceed our transportation budget for swimming by approximately \$500 and
2. The decision of the School Board to eliminate its summer playground, and numerous requests by the townspeople for us to sponsor their activity.

We were fortunate in securing the very able services of Mrs. Eleanor Gorham as our playground supervisor and arts and crafts instructor. Nancy Allen and Joyce Gilbert served as paid assistants. Also teaching and supervising the children daily, on a voluntary basis, were Bobby Brown, Sandra Caldwell, Diane Rober,

Diane Converse, Rose Hamel, Lynn Henchey and Ken Gorham. Without these volunteers, we might well have sponsored a mediocre program instead of the tremendously successful program that it was.

The Gold Cup Sno-Mobile trials, held in March 1964 when the snow was thin, was a success in all aspects except financial. The Teen Council was faced with a deficit of \$125 from this event. We hope to be able to replace that loss another year at the Gold Cup.

The Teen Council purchased a duplicating machine for the Center which has been quite an asset. They also made miscellaneous purchases for our program in the amount of \$222.09, for which we are extremely grateful.

We would like to express our sincere gratitude to the local organizations and individuals concerned for the formation of the Advisory Council. To the Selectmen of both towns, the Police and Highway Departments of both towns, the School Board, Mr. Frank Hackett, and all who have helped to make our tasks easier, and ever increasing the scope of recreation in Tilton-Northfield, we give our thanks.

## ANNUAL REPORT OF THE DISTRICT NURSE

**Fiscal Year for January 1 to December 31, 1965**

During this period the nurse has made 2339 nursing visits and 263 patients were cared for.

These were divided as follows:

	Home calls	Office calls
Therapeutic Nursing	1920	192
Ante-partum	20	3
Post-partum	1	
New-born	16	
Pre-school children	5	
School children	3	
Health and Welfare Service		
Infants	5	18
Pre-school children	64	3
School children	5	
Adults	55	29

Seventeen trips were made with patients to doctors' offices.

Mrs. Thalia Coulter R.N. substituted for the nurse during vacation time. Also, for two weeks in February, Mrs. Alice French R.N. and Mrs. Thalia Coulter R.N. relieved the nurse because of illness.

In cooperation with The State Department of Health and The District Nurse Association of Tilton and Northfield, three immunization clinics for pre-school children were held in March, April and May, at the American Legion Hall. Fifty-eight children attended these clinics, and of these, forty-seven series of triple toxoid, and sixteen boosters of toxoid were given. Forty-three children received Sabine oral polio vaccine and twenty-five vaccinations for small-pox were given.

Assisting at these clinics were Miss Rosemary Hawkins R.N., Mrs. Raylene McLain R.N., Mrs. Gertrude

Bibeau, Mrs. Marjorie Robert, Mrs. Mary Dwinal and myself.

Dr. Archie Grevior was the attending physician at all three clinics.

Grateful and sincere appreciation is extended to the American Legion for the use of their hall for these pre-school clinics.

Thanksgiving and Christmas food baskets were provided for thirty needy families by the Salvation Army, The Elks, The American Legion, The Congregational Church, and Saint Anne's Society. A turkey was also donated, which I delivered to a deserving family.

Many children were made happy at Christmas, because of generous thoughtfulness of the Recreation Department, the Girl Scouts, the American Legion and Auxiliary, the Rotary Club and the Emblem Club.

Through a personal gift of money received, I was able to purchase and deliver small gifts to a few elderly people that are alone.

To these many generous people and organizations, I say thank you.

In conclusion, I wish to thank everyone who has in any way assisted me in my work, this past year, the members of the District Nurse Association, the towns' officials and the residents of both towns.

Respectfully submitted,  
VIRGINIA R. SNOW R.N.

## **TILTON-NORTHFIELD FIRE DISTRICT WARRANT**

*To the Inhabitants of the Tilton-Northfield Fire District, qualified to vote in District Affairs:*

You are hereby notified to meet in the Tilton Town Hall, Monday, March 14, 1966 to act on the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a Fireward for three years.
5. To choose an Auditor for the ensuing year.
6. To hear the reports of the Treasurer and Firewards, and pass any vote relating thereto.
7. To see if the District will vote to renew the lighting contract and raise money for same in the sum of \$8,866.00.
8. To see if the District will vote to renew the water contract and raise money for same in the sum of \$11,587.00.
9. To see if the District will vote to pay note on truck, principal and interest, in the sum of \$3,202.50.
10. To see if the District will vote to change 9-4000 Incandescent Fixtures to 9-7000 Mercury Fixtures, and 1-1000 lumenlight to 3,500 lumen, and raise money for same in the sum of \$80.44.
11. To see if the District will vote to install a 11000 Mercury Fixture in front of the Post Office, and raise money for same in the sum of \$74.40. (By Petition)

12. To see if the District will vote to increase the Firemen's hourly pay \$.50 per hour, in the sum of \$750.00.

13. To see if the District will vote to construct building, to house the electric generator, and raise money for same in the sum of \$1,000.00 (subject to bid). Firewards reserve the right to accept or reject any and all bids.

14. To see what action the District will vote to take in regard to payment of Administration, Firemen, New equipment and other incidental expenses in the sum of \$13,415.00.

15. To transact any other business that may legally come before the meeting.

FRANK YUDICKEY  
EDWARD A. BELL  
JOHN E. SIMPSON

Warrant is subject to change and additional articles until ten days prior to official meeting. For changes see the posted warrant.

Regular Meetings — School Board, Tilton-Northfield  
Schools, First Monday of Each Month at 7:30 p.m.

## **REPORT OF THE TILTON-NORTHFIELD SCHOOL BOARD AND THE SUPERINTENDENT**

The School Board studied with the other districts of the Supervisory Union, Franklin, Sanbornton, Belmont and Hill, a proposed union salary schedule for teachers. There were many meetings with representatives of the other communities and the union Teachers' Association. The local Teachers' Association was also consulted many times. The salary schedule is printed in this report.

In accordance with the vote of the March 1965 district meeting, the Sanbornton and Tilton-Northfield School Boards worked with the Planning Board members appointed by the Moderators on the question of a cooperative district. The Boards and Study Committees voted unanimously to support the idea and sent a general booklet to all voters. Special group meetings were held in both communities.

The proposed budget for 1966-1967 has the normal seven per cent increase which has been prevalent in most districts because of the increased costs for teacher's salaries and the general increase in costs.

The big project of the past summer was the renovation of the old auditorium in the Union School into two classrooms.

The Tilton-Northfield School District established a special class on the ground floor of the Union School to take care of the needs of children requiring special instruction.

The school district operated the Head Start Program for forty-five pre-school pupils in an eight week program. The federal government paid the entire costs

of the program designed to give children the opportunity for many adjustments before entering school.

The School Board voted to have an evaluation of the schools made by the New England Association of Colleges and Secondary Schools. This starts with the principal and teaching staff making a complete study of the entire school to see what the present situation is in regard to the entire program, physical facilities and administration.

A Visiting Committee of approximately eighteen members from New England schools studies the local evaluation report and then makes a three day visit. They make a report showing the strong points of each department, and places where improvements are needed. The school over a two year period is expected to make changes where desirable and feasible. The school receives accreditation and is expected to have one evaluation every ten years. The evaluation will be very valuable to the community in securing ideas from other schools of how our education for the children may be improved.

The other special renovations include:

#### Tilton-Northfield Junior-Senior High School

1. New drain in the athletic field
2. Painting of the lower corridor in the junior high
3. New curb on the front driveway to facilitate snow removal
4. Installed sink in the art room, with all work done by Head Custodian, Thardix Piszczek
5. Purchase of hand tools for metal shop
6. Purchase of acetylene torches for the metal shop
7. New demonstration equipment for the electronics laboratory

## Union and Sanborn Schools

1. Two classrooms in auditorium
2. Cafeteria kitchen completely painted
3. Special classroom painted
4. Roof renovations at Sanborn
5. New floor in Union School
6. All Sanborn School window casings painted
7. New primary typewriter

We wish to express our deep appreciation to the following:

1. The Journal-Transcript for its excellent program of raising funds for the Franklin and Tilton-Northfield Scholarships and for its outstanding news coverage of the local schools.
2. The Tilton Women's Club of Tilton-Northfield for funds for the annual Dental Clinic.
3. The Benevolent Order of Elks for its annual scholarship for pupils in the area.
4. The Anna M. Hussey Memorial Committee for its scholarship award to future teachers.
5. The Pucci Family for the Alfred H. Pucci Memorial Award.
6. The Tilton Rotary Club for its annual scholarships to three graduates and for sending pupils annually to the United Nations Model Assembly.
7. The American Legion Whiteman Post No. 49 for its scholastic award and its sponsoring pupils to Boys State.
8. The American Legion Auxiliary for sending girls to Girls State.
9. The Tilton Holy Name Society for prizes in home-making and shop.

10. The Daughters of the American Revolution for its award.
11. The Grevior Improvement Award, the Women's Club Achievement Award, the Channing T. Sanborn Music Award, the Barbara Walles Award, the Arch Scholarship Award, the Future Homemakers Award and the Emblem Award.
12. The Katherine M. Johnson Scholarship to be first presented at the 1966 Graduation.
13. The Garden Club, Friends of the Library, the Library Trustees and all civic and professional organizations which have contributed special gifts or assistance.
14. Our Principals, Teachers, Treasurer, Office Workers, Custodians, Cafeteria Workers and Bus Operators for their excellent work.
15. The Selectmen of Tilton and Northfield for their assistance in all school problems.
16. The Town Budget Committee for their excellent cooperation, advice and assistance.

We wish to make special commendation to the local Friendship Grange Number 110 for an excellent foundation planting at the high school.

May we thank all people of the two towns for their financial and public support of the schools.

January 31, 1966

## SANBORNTON AND TILTON-NORTHFIELD COOPERATIVE SCHOOL STUDY

### Committee as authorized by the School District Meetings of March, 1965

The Committee studied the problems for eleven months and unanimously recommended that the three towns form the Winnisquam Regional School District.

Special school district meetings were held simultaneously at Sanbornton and at Tilton on Thursday, February 3, 1966. The Sanbornton meeting voted 110 to 38 in favor of the cooperative. The Tilton-Northfield voters also endorsed the committee recommendation by 148 to 11.

The two votes mean that the old districts are dissolved as of June 30, 1966 and the Winnisquam Regional School District becomes the official district for the three towns on July 1, 1966.

A school district meeting will be planned by the State Board of Education to elect a new School Board of three from Tilton, two from Sanbornton, and two from Northfield. This meeting will also vote the new budget for the three towns. The new warrant and proposed budget for the Winnisquam Regional School District will be published at a later date.

The Study Committee, which received a vote of approval from the two meetings for its excellent report and recommendations, is as follows:

#### The Committee

#### SANBORNTON

*School Board*  
Stanley Skeats  
Robert Alley  
David Picciano

*Appointed by Moderator*  
Margaret Dymont  
Mildred Coombs  
William Harper

## TILTON-NORTHFIELD

<i>School Board</i>	<i>Appointed by Moderator</i>
Phyllis Yudickey	Richard Pucci
Nancy Roberts	William M. Lawrence
Albert Brooks	Norman Wiggin
Charles Dwinal	
Robert Marshall	

William M. Lawrence — General Chairman

## SPECIAL COMMITTEE CHAIRMEN

Margaret Dymont — Curriculum

William Harper — Transportation

Richard Pucci — Finance

## ADVISORS

Herman N. Donegan, Supt. — Finance

Gordon L. Fox, Ass't. Supt. — Curriculum

Edward B. Briggs, Teacher Consultant—Transportation

A special Tilton-Northfield School District meeting was held at the Tilton-Northfield High School on February 3, 1966 at 8:00 P.M.

Meeting called to order by the Moderator, Mr. Brackett Hill, at 8:00 P.M.

Invocation by the Rev. Mr. Nichols.

Warrant for the special School District meeting read in full by the Moderator.

*Article I* — Moved by Mr. Ross Roberts and duly seconded "that the Tilton-Northfield School District vote to accept the provisions of Public Law 89-10 designed to improve educational opportunities with particular reference to children of low income families, and to appropriate such funds as may be made available to the District under said Federal act for such particular projects as may be determined by the School Board. Further, to see if the District will authorize the School

Board to make application for such funds and to expend the same for school projects as it may designate.

Discussion: Question called and Moderator declared the question ready for voting.

Voting was by check lists, and secret ballots were distributed by the Check List Supervisors and Ballot Clerks.

Total Ballots cast	155
Voted Yes	115
Voted No	40

The motion to adopt the article was declared by the Moderator to have been adopted in the affirmative.

*Article II* — Moved by Mr. William Lawrence and seconded by Mr. Charles Dwinal, “that the Tilton-Northfield School District vote to accept the provisions of RSA 195 (as amended) providing for the establishment of a Cooperative School District, together with the School District of Sanbornton, in accordance with the provisions of the proposed articles of agreement filed with the School District Clerk.”

Discussions by Mr. William Lawrence and Mr. Richard Pucci and questions answered.

Vote on the question called for.

Voting was by the check list of both towns, and same was in charge of the supervisors of the check lists.

Ballots used were the same form as presented in RSA 195:18 VI. When all who desired to vote had done so, the Polls were declared closed by the Moderator.

The Moderator announced the results of the balloting as follows:

Total Ballots Cast	159
Yes	148
No	11

The motion to adopt the article was declared by the Moderator to have been adopted in the affirmative.

On motion made by Mr. Walter Gibbs, and duly seconded, the meeting was adjourned at 9:30 P.M.

A true record attest:

Alexander G. MacGregor, Clerk

*Tilton-Northfield School District*
